5. Occupation: To describe someone's profession.
- Example: Ellos son maestros. (They are teachers.)
6. Relationships: To describe familial or social relationships.
- Example: Ella es mi hermana. (She is my sister.)

Estar

"Estar," on the other hand, is used to express:

1. Location: To indicate where someone or something is.
- Example: Estoy en casa. (I am at home.)

2. Temporary States: To describe emotions or conditions that can change.

- Example: Estoy cansado. (I am tired.)

3. Present Progressive: To form continuous tenses.

- Example: Estoy estudiando. (I am studying.)

4. Resulting States: To describe the result of a change.

- Example: La puerta está abierta. (The door is open.)

5. Health: To describe someone's health status.

- Example: Estás enfermo. (You are sick.)
