How to Read Tarot Cards

Setting the Intention

Before you begin reading, it's essential to set your intention. This involves:

- Choosing a quiet space where you feel comfortable.
- Clearing your mind – take a few deep breaths or meditate to focus your energy.
- Formulating a question or intention for the reading. This can range from specific inquiries about your future to broader themes about your life path.

Shuffling and Drawing the Cards

Once your intention is set, proceed with the following steps:

1. Shuffle the deck – You can use any method that feels comfortable: overhand shuffle, riffle shuffle, or simply mixing the cards on a surface.
