Understanding the exam format is crucial for targeted and efficient texas bar exam prep.

Exam Components

The Texas bar exam consists of the following components:

- **Multistate Bar Examination (MBE):** A 200-question multiple-choice test covering subjects such as constitutional law, contracts, criminal law, evidence, real property, and torts.
- **Multistate Essay Examination (MEE):** Six essay questions that test the ability to apply legal principles to fact patterns, covering a broad range of legal topics.
