Plot Summary of That Was Then This Is Now

That Was Then This Is Now by S.E. Hinton follows the lives of two teenage boys, Bryon Douglas and Mark Jennings, who grow up together in a tough neighborhood. The novel captures their friendship and the events that lead to significant changes in their relationship and individual perspectives. The story begins with Bryon and Mark running a small business selling stolen goods, but as the plot unfolds, the consequences of their actions become clear. The narrative highlights the struggles they face, including family issues, violence, and the pressures of adolescence. Through a series of dramatic events, Bryon begins to see the world differently, leading to tension and conflict with Mark. The story ultimately reveals how people change and how those changes can affect even the closest bonds.

Setting and Context

The novel is set in a working-class neighborhood in the 1960s, a time marked by social upheaval and economic challenges. This setting provides a realistic backdrop that influences the characters' decisions and lifestyles. The environment reflects the struggles of youth in urban America during this period, including issues such as poverty, crime, and family instability.

Key Plot Events

Several pivotal moments define the story and its message:

- Bryon and Mark's partnership in petty theft and its eventual fallout
- The introduction of Cathy, Bryon's love interest, who represents a different social world
- Mark's involvement with drugs and the resulting consequences
- Bryon's moral awakening and decision to change his path
- The ultimate strain on Bryon and Mark's friendship and their diverging futures

Main Characters and Their Development

That Was Then This Is Now by S.E. Hinton features deeply developed characters whose growth and conflicts drive the novel's emotional core. The story mainly revolves around two protagonists whose contrasting journeys highlight the theme of change.

Bryon Douglas

Bryon is the narrator and central character. He starts as a carefree teenager involved in illegal activities but gradually becomes more aware of the consequences of his actions. His evolving sense of responsibility and morality is a key aspect of the narrative, making him a relatable and complex character.

Mark Jennings

Mark is Bryon's best friend and partner in crime. Unlike Bryon, Mark remains more attached to their past lifestyle and resists change. His struggles with addiction and loyalty create tension and ultimately lead to the breakdown of their friendship. Mark's character embodies the difficulties of escaping a troubled environment.

Supporting Characters

The novel also includes significant supporting characters who influence the protagonists:

- **Cathy** – Bryon's girlfriend, who symbolizes hope and a different future.
- **M'Lynn** – Mark's sister, whose tragic fate impacts the story deeply.
- **Mama** – Bryon's single mother, representing stability and sacrifice.

Themes and Motifs in That Was Then This Is Now

The novel explores several important themes that resonate with readers of all ages, especially young adults. These themes contribute to the book's lasting impact and relevance.

Friendship and Change

A central theme is the evolution of friendship. The novel examines how people grow apart as their values and circumstances change. Bryon and Mark's friendship illustrates the bittersweet reality that not all relationships withstand the test of time and personal growth.

Identity and Morality

The story delves into the struggle of forming an identity amidst challenging social conditions. Bryon's journey highlights the importance of making moral choices and the consequences those choices carry. The novel encourages readers to consider personal responsibility and ethical behavior.

Socioeconomic Challenges

That Was Then This Is Now portrays the impact of poverty, family instability, and peer pressure on youth. These external factors shape the characters' actions and limit their options, reflecting the broader societal issues faced by many teenagers.

Motifs

- **Violence and Crime:** Recurring instances underscore the dangers of the characters' environment.
- **Loss and Change:** The motif of loss appears through family tragedies and broken relationships.
- **Growth:** The contrast between childhood innocence and adult realities is a consistent motif.
