### **Be Impeccable with Your Word**

This agreement emphasizes the power of language and communication. Being impeccable with your word means speaking with integrity, avoiding gossip, lies, and negative self-talk. Words have the ability to create or destroy, and this agreement encourages using speech to uplift oneself and others.

### **Don't Take Anything Personally**

This principle advises readers to separate their self-worth from the opinions and actions of others. By not taking things personally, individuals can avoid unnecessary emotional pain and misunderstanding. It fosters resilience and emotional independence.

### **Don't Make Assumptions**

Making assumptions often leads to miscommunication and conflict. This agreement encourages asking questions and seeking clarity instead of jumping to conclusions. It promotes openness and honesty in interactions.

### **Always Do Your Best**

This final agreement focuses on consistent effort and self-compassion. Doing one's best varies depending on circumstances but implies a dedication to personal growth without self-judgment. It helps prevent feelings of guilt and regret.
