initial interactions are marked by curiosity and innocence as Bruno questions Shmuel about his life behind the fence. This encounter sets the stage for a powerful friendship that develops over time.

Key elements of their friendship include:

Thematic Significance of Shmuel

Shmuel's character embodies several key themes in "The Boy in the Striped Pyjamas," each contributing to the novel's overall message about the human condition during times of conflict.

Innocence and Ignorance

One of the most striking themes in the novel is the innocence of childhood, represented by both Bruno and Shmuel. Their friendship showcases how children can form connections without understanding societal prejudices. However, Shmuel's situation highlights the tragic loss of innocence that many children faced during the Holocaust.

Friendship Across Divides

The bond between Bruno and Shmuel emphasizes the idea that friendship can bridge even the widest divides. Their relationship is a testament to the possibility of understanding and compassion in a world filled with hatred and division. This theme is particularly relevant in today's context, where social and political divides continue to exist.

Loss and Suffering

Shmuel's character also brings to light the themes of loss and suffering. His experiences in the concentration camp serve as a stark reminder of the atrocities committed during the Holocaust. Through Shmuel, readers are confronted with the harsh realities faced by millions of people, making the story a powerful commentary on human rights abuses.

Symbolism of the Striped Pajamas

The striped pajamas worn by Shmuel and other prisoners are a potent symbol in the novel. They

represent the dehumanization of individuals during the Holocaust, stripping them of their identities and reducing them to mere numbers.

Key symbolic elements include:

- Loss of Identity: The pajamas serve as a visual representation of the loss of individuality experienced by those in concentration camps.
- Innocence vs. Horror: The juxtaposition of the innocent friendship between Bruno and Shmuel against the backdrop of the horrors of the camp underscores the tragedy of their situation.
