## Understanding the Parable of the Good Samaritan

Before discussing the worksheets themselves, it is essential to understand the parable they are based on. The Good Samaritan is a story told by Jesus, found in the Gospel of Luke (10:25-37). In the narrative, a man traveling from Jerusalem to Jericho is attacked by robbers, beaten, and left for dead. Several individuals pass by without offering assistance, but a Samaritan—traditionally viewed as an outsider and enemy—stops to help the injured man. He tends to the man's wounds, takes him to an inn, and pays for his care.
