Major Themes Explored in the Ebook

Mass Incarceration as a Racial Caste System

This modern caste system affects employment, housing, voting rights, and access to education.

The War on Drugs and Its Disproportionate Impact

The book critically examines the war on drugs, showing how policies ostensibly aimed at reducing drug abuse have disproportionately targeted communities of color. Despite similar rates of drug use across racial groups, African Americans face higher arrest and conviction rates, fueling the cycle of incarceration and social marginalization.

Legalized Discrimination and Felony Labeling
