Setting Up Your Cooker

Before using the Tiger JBV 10CU, it's crucial to set it up properly. Here's how you can do it:

1. **Unpack the Cooker:** Carefully remove the rice cooker from its packaging and inspect all components for any damage.
2. **Clean the Inner Pot:** Wash the non-stick inner pot with warm, soapy water and rinse thoroughly.
3. **Place the Cooker on a Flat Surface:** Ensure that the rice cooker is positioned on a stable, flat surface away from any heat sources.
4. **Plug in the Cooker:** Connect the power cord to an outlet to prepare for operation.

Cooking Rice with the Tiger JBV 10CU

Cooking rice is one of the primary functions of the Tiger JBV 10CU. Here's a step-by-step guide to help you cook perfect rice:

1. **Measure the Rice:** Use the included measuring cup to determine the amount of rice you want to cook.
2. **Rinse the Rice:** Rinse the rice under cold water until the water runs clear to remove excess starch.
3. **Add Water:** Use the markings inside the inner pot to add the appropriate amount of water based on the type of rice.
4. **Select the Cooking Mode:** Choose the rice cooking mode based on the type of rice (white, brown, sushi, etc.) you are preparing.
5. **Start Cooking:** Press the start button and let the cooker do its job.

Using the Steamer Function

In addition to cooking rice, the Tiger JBV 10CU can also steam vegetables and other foods. Here's how to utilize the steamer function:

1. **Prepare the Food:** Cut vegetables or proteins into even pieces for uniform cooking.
2. **Add Water to the Inner Pot:** Ensure there is enough water in the inner pot for steaming.
3. **Place the Steamer Tray:** Position the steamer tray on top of the inner pot, ensuring it fits securely.
4. **Cover and Start:** Close the lid and select the steaming function to begin cooking.

Maintenance and Care

Maintaining your Tiger JBV 10CU rice cooker is essential for longevity and optimal performance. Here are some tips to keep your appliance in excellent condition:

Regular Cleaning

To ensure your rice cooker remains clean and functional:

- **Wash the Inner Pot:** Clean the inner pot after each use to prevent residual food from sticking.
- **Wipe the Exterior:** Use a damp cloth to wipe the exterior of the cooker and keep it looking new.
- **Check the Steam Vent:** Regularly inspect and clean the steam vent to prevent clogs.

Storing the Cooker

When not in use, store your rice cooker in a cool, dry place, and ensure that the lid is slightly ajar to allow for air circulation. Avoid stacking heavy items on top of the cooker to prevent damage.
