Popular Tony Hawk Pro Skater 2 Cheat Codes

Many cheat codes are available in Tony Hawk Pro Skater 2, each designed to unlock unique features such as new characters, skateboards, or gameplay modes. These codes can significantly alter the game experience, providing players with more content and a fresh way to enjoy the title. Below are some of the most popular and widely used cheat codes for Tony Hawk Pro Skater 2.

Unlockable Characters

Unlocking hidden characters is one of the most exciting aspects of using cheat codes in Tony Hawk Pro Skater 2. These characters often come with unique styles and abilities, enhancing the replay value.

- **Ginger** - Enter *G I N G E R* on the character selection screen.
- **Officer Dick** - Enter *D I C K* to unlock this secret character.
- **Otto** - Use the code *O T T O* to add this skater to your roster.

Unlockable Skateboards

Cheat codes can also unlock special skateboards that are otherwise unavailable in normal gameplay. These boards often feature unique designs and can be used in various levels.

- **Classic Board** - Type *C L A S S I C* to unlock the classic skateboard.
- **Metal Board** - The code *M E T A L* grants access to a metal skateboard.

Gameplay Enhancements

Several cheat codes modify gameplay mechanics, making the game easier or more entertaining. These can include unlimited special meter, big head mode, or fast skateboarding.

- **Unlimited Special Meter** - Enter *S P E C I A L* to never run out of special tricks.
- **Big Head Mode** - Use the code *B I G H E A D* for a humorous visual effect.
- **Fast Skate Mode** - Typing *F A S T* increases your skating speed dramatically.

How to Enter Cheat Codes

Knowing how to input cheat codes correctly is crucial to unlocking the hidden features in Tony Hawk Pro Skater 2. The process is relatively straightforward but varies slightly depending on the platform. Typically, cheat codes are entered on the main menu or at specific screens such as the character select screen.

General Method

To enter cheat codes, players usually navigate to the main menu or pause screen, then type the sequence of letters corresponding to the desired cheat without pressing any other buttons. If done correctly, the game confirms the activation with a sound or message.

Tips for Successful Code Entry

- Ensure the game is paused or on the appropriate menu screen before entering codes.
- Type the letters quickly and accurately; mistakes can cause the code to fail.
- Some codes must be entered using the directional pad and buttons rather than letters, depending on the platform.

- Consult the game's manual or in-game hints for platform-specific instructions.

Platform-Specific Cheat Codes

Tony Hawk Pro Skater 2 was released on multiple platforms including PlayStation, Xbox, and PC, each sometimes featuring unique cheat codes or different input methods. Understanding these distinctions is essential for players looking to fully exploit cheat codes.

PlayStation Cheat Codes

On the original PlayStation version, cheat codes are primarily entered using the controller buttons and directional pad on the main menu. Some popular PlayStation cheat codes include:

- **Unlock All Levels** - Press *Up, Up, Down, Down, Left, Right, Left, Right, Circle, X*
- **Infinite Special Meter** - Press *Triangle, Triangle, Circle, Circle, X, X*

Xbox and PC Cheat Codes

The Xbox and PC versions often allow letter-based code entry due to their keyboard compatibility. Additionally, some cheats are activated via console commands or specific button sequences.

- **Unlock Secret Skaters** - Enter the character's name at the character select screen.
- **Big Head Mode (PC)** - Press *B* during gameplay to toggle big head mode.

Benefits of Using Cheat Codes

Utilizing Tony Hawk Pro Skater 2 cheat codes offers several advantages that enhance the overall gameplay experience. These benefits range from unlocking hidden content to increasing the player's ability to experiment with tricks and levels.

Access to Hidden Content

Cheat codes unlock secret characters, skateboards, and levels that are not available through regular gameplay. This expands the game's content and provides new challenges and environments to explore.

Enhanced Gameplay Experience

By enabling features like infinite special meters or faster skateboarding, cheat codes allow players to perform advanced tricks more easily and enjoy a more dynamic skateboarding experience. These enhancements can make completing difficult objectives more manageable.

Increased Replay Value

With cheat codes, players can revisit the game with fresh perspectives and challenges. Unlocking new characters or game modes encourages replayability and keeps the game engaging long after the initial completion.

Tips for Using Cheat Codes Effectively

To maximize the benefits of Tony Hawk Pro Skater 2 cheat codes, players should follow best practices when applying and experimenting with these codes. Proper use can balance fun and challenge without diminishing the overall satisfaction of gameplay.

Use Cheats Strategically

It is advisable to use cheat codes after completing the game normally to preserve the sense of achievement. Cheats can then be employed to explore new features or practice difficult tricks without pressure.

Combine Cheats for Maximum Fun

Many cheat codes can be combined to create unique gameplay scenarios. For example, using big head mode alongside unlimited special meter can lead to entertaining and creative skate sessions.

Keep a Record of Codes

Maintaining a list of active cheat codes helps avoid confusion and allows players to toggle them on or off as needed. This is especially useful when switching between different platforms or game versions.

1. Activate cheats only when appropriate to the gameplay goals.
2. Test codes in practice sessions before applying them to important objectives.
3. Be aware that some cheat codes may disable saving or leaderboard features.
