Step 1: Cook the Tortellini

1. Boil Water: Fill a large pot with water and bring it to a rolling boil.
2. Add Salt: Once the water is boiling, add a generous amount of salt (about 1 tablespoon) to enhance the flavor of the tortellini.

3-5 minutes, or until the tortellini floats to the top. This indicates they are done.

4. Drain: Carefully drain the tortellini in a colander and set aside.

Step 2: Prepare the Sauce

1. Heat Olive Oil: In a large skillet, heat 2 tablespoons of olive oil over medium heat.

2. Sauté Vegetables: Add the diced onion and bell pepper. Sauté for about 3-5 minutes, or until the onions become translucent and the peppers soften.

3. Add Garlic: Stir in the minced garlic and cook for an additional minute until fragrant.

4. Incorporate Tomatoes: Pour in the can of diced tomatoes with their juices. Stir well to combine.

5. Season: Add the Italian seasoning, salt, and pepper to taste. Allow the mixture to simmer for about 5-7 minutes, stirring occasionally, until it thickens slightly.

Step 3: Combine Tortellini and Sauce

1. Add Tortellini to the Sauce: Gently fold the cooked tortellini into the skillet with the sauce. Stir carefully to coat the tortellini without breaking them.

2. Heat Through: Allow the tortellini to heat through for an additional 2-3 minutes. If the sauce appears too thick, you can add a splash of water or vegetable broth to reach your desired consistency.
