

# where the wild things are activities

**Where the Wild Things Are activities** provide an engaging way to explore the themes of Maurice Sendak's beloved children's book. This timeless story invites readers into the imaginative world of Max, a young boy who sails away to an island inhabited by fantastical creatures. The book's rich narrative and captivating illustrations inspire a variety of activities that can be adapted for different age groups, educational settings, and personal enjoyment. Whether you are a parent, teacher, or caregiver, the following activities will help bring the enchanting world of "Where the Wild Things Are" to life.

## Literary Exploration

### Reading Sessions

One of the best ways to start any activity is by reading the book itself. Organize a reading session that includes:

- Dramatic Read-Aloud: Use different voices for Max and the Wild Things to engage children.
- Group Reading: Encourage children to take turns reading aloud, fostering confidence in their reading skills.

### Discussion Questions

After reading, facilitate a discussion with questions that prompt critical thinking and personal connections, such as:

1. What do you think Max felt when he went to the island?
2. How do you think the Wild Things felt about Max?
3. What does it mean to be "wild"?

## Arts and Crafts

### Create Your Own Wild Thing

Let the children unleash their creativity by designing their own Wild Things. Materials needed include:

- Colored paper
- Scissors
- Glue
- Markers and crayons

- Googly eyes and craft supplies

Steps to follow:

1. Sketch: Have children sketch their Wild Thing on paper.
2. Cut and Assemble: Allow them to cut out shapes and assemble their creature.
3. Presentation: Each child can present their Wild Thing to the group and explain its unique characteristics.

## **Wild Thing Masks**

Making masks is a fantastic way to combine drama and art. Follow these steps:

1. Materials: Gather paper plates, markers, feathers, and other craft supplies.
2. Design: Children decorate their plates to create a Wild Thing face.
3. Straps: Attach elastic or string for easy wearing.
4. Role-Playing: Once masks are complete, encourage children to act out scenes from the book.

## **Interactive Activities**

### **Wild Rumpus Dance Party**

Organizing a dance party inspired by the "wild rumpus" scene can be a fun way to get children moving. Here's how:

1. Music Selection: Choose songs that are upbeat and encourage dancing.
2. Dance Challenges: Introduce dance challenges where children mimic the movements of the Wild Things.
3. Free Dance: Allow time for free dancing, encouraging children to express themselves.

### **Outdoor Adventure**

If possible, take the activities outside for an adventurous twist. Here's a plan:

1. Nature Walk: Go on a nature walk and encourage children to spot "wild" creatures or interesting natural elements.
2. Scavenger Hunt: Create a scavenger hunt with items related to the book (e.g., leaves, sticks, stones).
3. Wild Thing Hide-and-Seek: Play a game of hide-and-seek where one child is the Wild Thing seeking the others.

# Educational Activities

## Writing Activities

Encourage children to explore their creative writing skills with these prompts:

1. Alternate Ending: Ask children to write an alternate ending to the story.
2. Diary Entry: Have them write a diary entry from Max's perspective about his adventure.
3. Poetry: Create a poem inspired by Wild Things and their adventures.

## Art Integration

Combine art with literacy by having the children illustrate their own story based on what they learned from "Where the Wild Things Are":

- Storyboards: Create a storyboard that summarizes the book's plot.
- Comic Strips: Draw comic strips illustrating key scenes or their own adventures with Wild Things.

## Cooking Activities

### Wild Things Snacks

Cooking can be a fun and educational experience. Plan a cooking session where children can create their own "Wild Things" snacks:

- Wild Thing Sandwiches: Use cookie cutters to create animal shapes from bread, cheese, and deli meats.
- Fruit Creatures: Make animals using various fruits, such as banana slices for ears and grapes for eyes.
- Decorative Cupcakes: Bake cupcakes and let children decorate them to resemble Wild Things.

## Drama and Performance

### Story Reenactment

Encourage children to act out scenes from the book:

1. Casting: Assign roles to each child (Max, the Wild Things, etc.).
2. Props and Costumes: Use simple props or costumes to enhance the performance.
3. Performance Day: Organize a small performance for parents or the class.

## **Creative Storytelling**

Incorporate storytelling techniques by allowing children to create their own wild adventure:

1. Group Story Creation: As a group, build a story where each child adds a sentence.
2. Visual Aids: Use drawings or puppets to illustrate parts of the story.

## **Conclusion**

Where the Wild Things Are activities can transform a simple reading experience into an enriching educational journey that fosters creativity, collaboration, and critical thinking. By engaging in arts and crafts, interactive play, educational writing, cooking, and drama, children can deepen their understanding of the story's themes and characters. These activities not only celebrate the imagination inspired by Sendak's classic work but also forge meaningful connections among children and their caregivers, making reading an even more enjoyable experience. So gather your materials, invite some friends, and let the wild rumpus start!
