

# where to stream history of the world part 1

**Where to stream History of the World Part 1** is a question that many fans of classic comedy are asking as they seek to revisit this Mel Brooks masterpiece. Released in 1981, the film is a hilarious satire that takes viewers on a comedic journey through various epochs of human history. With its unique blend of humor and historical references, "History of the World Part 1" has earned its place as a beloved cult classic. In this article, we will explore the best platforms to stream this film, along with some background information and insights about its impact and legacy.

## Overview of History of the World Part 1

Before diving into streaming options, it's essential to understand what makes "History of the World Part 1" a significant film. Directed by Mel Brooks, the movie features a star-studded cast, including Brooks himself, Dom DeLuise, Madeline Kahn, and Gregory Hines. The film is structured as a series of comedic vignettes, each portraying different historical events, ranging from the Stone Age to the French Revolution.

Some of the most memorable segments include:

1. The Creation of the World: A humorous take on the Biblical creation story.
2. The Roman Empire: Featuring the infamous "Inquisition" musical number.
3. The French Revolution: A satirical look at the events leading to the overthrow of the monarchy.

The film's irreverent approach to history has made it a favorite among fans of both comedy and historical fiction, and its influence can still be felt in modern comedic works.

## Where to Stream History of the World Part 1

Finding a reliable platform to stream "History of the World Part 1" can be challenging, especially with the ever-changing landscape of streaming services. Below are some of the most popular options available as of 2023:

### 1. Hulu

Hulu is one of the top choices for streaming "History of the World Part 1." The platform offers a vast library of movies and television shows, making it

a go-to for many viewers. To watch the film on Hulu, you will need a subscription, which offers various plans, including ad-supported and ad-free options.

- Subscription Options:
- Basic plan (with ads)
- Premium plan (ad-free)
- Hulu + Live TV (includes live streaming of various channels)

## **2. Amazon Prime Video**

Another great option for streaming "History of the World Part 1" is Amazon Prime Video. If you are a member of Amazon Prime, you can access the film as part of the subscription. If not, the movie is available for rent or purchase.

- Rental/Purchase Options:
- Rent for a limited period
- Buy a digital copy for permanent access

## **3. Google Play Movies & TV**

Google Play Movies & TV is a convenient platform for anyone who prefers to watch movies on their devices. "History of the World Part 1" can be rented or purchased through this service, and it is compatible with various devices, including smartphones, tablets, and smart TVs.

## **4. YouTube**

YouTube is not just for user-generated content; it also offers a selection of movies available for rent or purchase. "History of the World Part 1" can be found on YouTube Movies, making it easy to watch on your preferred device.

## **5. Vudu**

Vudu is another platform where you can rent or purchase "History of the World Part 1." It offers a user-friendly interface and allows for high-definition streaming. Vudu also frequently has sales, so it's worth checking for deals.

## **6. Apple iTunes**

For Apple users, iTunes is a solid choice for streaming "History of the World

Part 1." Similar to other platforms, you can rent or buy the movie. With iTunes, you can easily watch it on your Apple devices.

## Things to Consider When Streaming

When choosing a platform to stream "History of the World Part 1," consider the following factors:

- **Subscription Costs:** If you are already subscribed to a service like Hulu or Amazon Prime, check if the film is included in your plan.
- **Device Compatibility:** Ensure that the streaming service is compatible with your devices, whether it's a smart TV, tablet, or smartphone.
- **Rental vs. Purchase:** Decide whether you want to rent the movie for a one-time viewing or purchase it for repeated access.
- **Quality Options:** Look for platforms that offer high-definition streaming for the best viewing experience.

## The Legacy of History of the World Part 1

Since its release, "History of the World Part 1" has left an indelible mark on the landscape of comedy. Mel Brooks' unique style of blending humor with historical context has influenced many filmmakers and comedians. The film is often referenced in popular culture, and its quotes have become iconic among fans.

Some of the film's significant contributions include:

1. **Innovative Humor:** Brooks' use of satire opened the door for more comedic approaches to historical subjects.
2. **Cultural References:** Through its vignettes, the film introduces viewers to various historical events, albeit in a humorous light.
3. **Impact on Future Films:** Many modern comedies, including those that parody historical events, owe a debt to Brooks' work.

## Conclusion

In summary, "History of the World Part 1" remains a beloved classic that continues to entertain audiences with its unique brand of humor. Whether you are revisiting the film or watching it for the first time, knowing where to

stream "History of the World Part 1" is essential for an enjoyable viewing experience. Platforms like Hulu, Amazon Prime Video, Google Play Movies, YouTube, Vudu, and iTunes make it easy to access this comedic gem.

As you prepare to dive into the hilarity and absurdity of human history as portrayed by Mel Brooks, consider the factors that matter most to you in choosing a streaming service. Enjoy the laughs, and perhaps you'll gain a new perspective on history along the way!
