Wally's outfit is his trademark; however, he is often cleverly camouflaged within scenes. Look for red-and-white stripes, and pay attention to characters that might be similarly dressed.

3. Explore Backgrounds

Wally might not always be in the foreground. Take a moment to scan the background for hidden surprises or characters that might be obscuring your view of him.

4. Team Up

Searching for Wally can be more rewarding with a partner or a group. Divide the pages among yourselves, or work together to spot Wally and other hidden objects.
