Who Sang Turn Around Bright Eyes: The Artist Behind the Song

The phrase "turn around bright eyes" is famously featured in the song "Total Eclipse of the Heart," which was performed by Welsh singer Bonnie Tyler. Released in 1983, Bonnie Tyler's distinctive raspy voice became synonymous with this powerful rock ballad. The song was written and produced by Jim Steinman, known for his theatrical and grandiose musical style. Bonnie Tyler had already established herself as a strong vocalist with hits like "It's a Heartache," but "Total Eclipse of the Heart" catapulted her to international stardom.

About Bonnie Tyler

Bonnie Tyler, born Gaynor Hopkins in 1951, is a Welsh singer known for her unique husky voice which was partly the result of an operation on her vocal cords. Her vocal style and emotive delivery set her apart from other artists of the time. Tyler's career spans several decades, during which she released numerous albums and singles, but "Total Eclipse of the Heart" remains her most iconic track.

Jim Steinman's Role

Jim Steinman, the songwriter and producer behind "Total Eclipse of the Heart," crafted the song with a dramatic flair typical of his work. Steinman is also known for his work with Meat Loaf and other theatrical rock productions. His collaboration with Bonnie Tyler combined his songwriting genius with her powerful voice to create a timeless hit.

The Story Behind "Total Eclipse of the Heart"

"Total Eclipse of the Heart" was released as a single in 1983 and quickly became a worldwide sensation. The song's lyrics and melody evoke themes of love, loss, and emotional intensity, which resonated with a broad audience. Its memorable chorus prominently features the phrase "turn around, bright eyes," which has become one of the most recognizable lines in pop music history.

Songwriting and Production

The song was originally written to be a vampire-themed rock song but was transformed into a romantic ballad during production. Jim Steinman employed layered vocals, dramatic instrumentation, and dynamic shifts to enhance the emotional impact. The song's length and epic style were unconventional for radio hits at the time, yet it achieved massive success.

Music Video and Visuals

The music video for "Total Eclipse of the Heart" played a significant role in the song's popularity. Directed by Russell Mulcahy, the video features gothic and surreal imagery that complements the song's dramatic tone. Bonnie Tyler's performance and the visual storytelling helped cement the song's place in 1980s pop culture.

Impact and Legacy of the Song

The song "Total Eclipse of the Heart," with its iconic lyric "turn around bright eyes," has left a lasting legacy in the music industry and popular culture. Its success marked a high point in Bonnie Tyler's career and influenced many artists and music productions that followed.

Chart Performance and Awards

"Total Eclipse of the Heart" achieved number one status in multiple countries, including the United States, the United Kingdom, and Canada. It

remained on the charts for several weeks and became one of the best-selling singles of the 1980s. The song also received several awards and nominations, recognizing its impact and popularity.

Cultural References and Covers

The phrase "turn around bright eyes" and the song itself have been referenced and covered extensively in movies, television shows, commercials, and by other musicians. Its dramatic style and memorable lyrics make it a favorite for reinterpretation across different genres and mediums.

Legacy of Bonnie Tyler

Bonnie Tyler's performance on this track solidified her reputation as a powerful and emotive vocalist. She continues to perform and record music, with "Total Eclipse of the Heart" remaining a highlight of her live shows. The song's enduring popularity ensures that new generations continue to discover her music.
