

zelda botw shrine locations map find complete all 120

Zelda: Breath of the Wild offers players a vast open world filled with challenges, secrets, and countless shrines to discover. With a total of 120 shrines scattered throughout the kingdom of Hyrule, players are tasked with locating each one to unlock their potential and gain Spirit Orbs. These shrines serve as mini-dungeons, each presenting unique puzzles and combat trials. This article will guide you through the Zelda BotW shrine locations map and help you complete the quest to find all 120 shrines.

Understanding Shrines in Zelda: Breath of the Wild

Shrines are essential in Zelda: Breath of the Wild for several reasons:

- Spirit Orbs: Completing a shrine rewards players with Spirit Orbs, which can be used to increase health or stamina.
- Fast Travel Points: Shrines also act as fast travel points, allowing players to navigate the expansive world of Hyrule more efficiently.
- Puzzles and Combat Trials: Each shrine features a unique challenge, testing players' problem-solving skills and combat abilities.

Overview of Shrine Locations

The shrines in Zelda: Breath of the Wild are distributed across various regions in Hyrule. Below is a categorized list of the regions and the number of shrines found in each:

1. Great Plateau: 4 Shrines
2. West Necluda: 9 Shrines
3. Central Hyrule: 5 Shrines
4. Hyrule Field: 9 Shrines
5. Faron: 10 Shrines

9. Akkala: 7 Shrines
10. Tabantha Frontier: 6 Shrines
11. East Necluda: 8 Shrines
12. West Necluda: 9 Shrines

Detailed Shrine Locations by Region

Each region in Hyrule has unique shrines, and knowing their locations is essential for completing the game. Here's a detailed breakdown:

1. Great Plateau Shrines

The Great Plateau serves as the starting point for Link's adventure, and it contains four shrines:

- Oman Au Shrine: Located to the north of the Temple of Time ruins.
- Ja Baij Shrine: Found at the eastern end of the Great Plateau.
- Keh Namut Shrine: Located on the south side of the plateau, near the water.
- Magnesis Shrine: Situated on the western side, behind a rock wall.

2. Hyrule Field Shrines

Hyrule Field is central to the map and features nine shrines:

- Dueling Peaks Shrine: Located near the Dueling Peaks.
- Mikau Shrine: Found near the central tower.
- Garinis Shrine: Located in the northwestern part of Hyrule Field.
- Tana Kosh Shrine: Situated southeast of the central tower.
- Rito Shrine: Near the Rito Village.

3. Central Hyrule Shrines

This area has five shrines, including:

- Shae Loya Shrine: Near the Dueling Peaks.
- Rito's Challenge Shrine: Located in the central area of Hyrule.
- Kakariko Village Shrine: Found within Kakariko Village.

4. Faron Shrines

The Faron region is lush and green, containing ten shrines:

- Mikau Shrine: Near the Faron Grasslands.
- Dah Hesho Shrine: Found by the Rabia Plain.
- Sasa Kai Shrine: Located near the Dueling Peaks.

5. Hebra Shrines

The Hebra region is cold and mountainous, featuring eleven shrines:

- Dronoc's Shrine: Found in the Hebra West Summit.
- Kikyo Shrine: Located near the Snowfield Stable.
- Rito Village Shrine: Situated within Rito Village.

6. Gerudo Shrines

The desert region of Gerudo contains eight shrines:

- Akkala Shrine: Near the Gerudo Summit.
- Wagob Shrine: Located in the east of the Gerudo Desert.
- Kah Mael Shrine: Found in the Gerudo Canyon.

7. Lanayru Shrines

This region is known for its water and features ten shrines:

- Kakara Shrine: Located within the Lanayru Wetlands.
- Kamak Shrine: Found near the Zora River.
- Zoras Domain Shrine: Situated within Zora's Domain.

8. Akkala Shrines

Akkala, located in the northeastern part of the map, has seven shrines:

- Rito Village Shrine: Located near the Akkala Ancient Tech Lab.
- Tana Kosh Shrine: Found near the Akkala Bridge.
- Dah Hesho Shrine: Situated on the cliffs of Akkala.

9. Tabantha Frontier Shrines

This area features six shrines:

- Dronoc's Shrine: Located in the Tabantha Snowfield.
- Kikyo Shrine: Near the Rito Village.
- Sasa Kai Shrine: Found near the Tabantha Great Bridge.

10. East Necluda Shrines

East Necluda is home to eight shrines:

- Mikau Shrine: Found near the East Necluda Tower.
- Kakariko Village Shrine: Located within Kakariko Village.
- Dueling Peaks Shrine: Situated near the Dueling Peaks.

Tips for Finding Shrines

Finding all 120 shrines can be a daunting task. Here are some tips to help you track them down:

- Use the Purah Pad: After activating the towers, use the Purah Pad to mark shrines on your map.
- Listen for Shrine Sounds: When you are near a shrine, you'll hear a distinct sound that can lead you to it.
- Look for Unique Landmarks: Many shrines are located near notable landmarks or distinct terrain features.
- Check for Clues: Some shrines require you to complete quests or solve environmental puzzles to unlock them.

Conclusion

Completing the quest to find all 120 shrines in Zelda: Breath of the Wild is a rewarding challenge that enhances your gameplay experience. From the serene landscapes of Hyrule to the intricate puzzles within the shrines, each location offers a unique glimpse into the world of Zelda. By utilizing the map and tips provided, you'll be well on your way to mastering the challenges and unlocking the full potential of Link as you journey through this enchanting game. Happy exploring!

Frequently Asked Questions

What are the locations of all 120 shrines in Zelda: Breath of the Wild?

The shrines are scattered throughout Hyrule, with specific regions like the Great Plateau, Dueling Peaks, and Hebra Mountains containing a number of shrines. You can find detailed maps online that mark all shrine locations.

How can I locate shrines more easily in Breath of the Wild?

Use the Purah Pad to track shrines you've discovered, and look for the tower icons on your map. You can also listen for the sound of the shrine's glowing light when you're nearby.

Is there a guide to complete all shrine puzzles in Zelda: BotW?

Yes, many online guides and walkthroughs provide detailed solutions for each shrine puzzle, including tips and strategies for completing them.

What rewards do you get for completing all 120 shrines?

Completing all 120 shrines rewards you with the Master Spirit Orb, which increases your heart containers or stamina wheel, and you also receive the unique armor set, the 'Spirit Orb'.

What is the significance of shrines in Breath of the Wild?

Shrines serve as mini-dungeons that test your puzzle-solving and combat skills. Completing them grants Spirit Orbs, which are essential for upgrading Link's health and stamina.

Are there any shrines that are particularly difficult to find?

Some shrines, like the 'Hawa Katta' and 'Kaya Wan' shrines, can be tricky due to their hidden locations or challenging environmental factors. Guides can help pinpoint these elusive shrines.

How do I activate a shrine once I find it?

To activate a shrine, simply approach it and interact with the pedestal. This will unlock the shrine and allow you to enter it for challenges.

Can the shrine locations be marked on the in-game map?

Yes, once you discover a shrine, it will automatically be marked on your map, making it easier to track which ones you've completed.

What items or abilities can help in finding shrines?

Using the Sheikah Slate's 'Sensor+' feature can help you locate shrines if you have already registered one. Additionally, the 'Revali's Gale' ability can help you reach higher places where shrines might be hidden.

Are there any rewards for finding all shrine locations besides the Master Spirit Orb?

Aside from the Master Spirit Orb, finding all shrines also contributes to unlocking achievements and may reward you with certain collectibles and in-game benefits.
